My dear Dr. Klein,

I was happy indeed to learn from your letter of May 5. that you and Mrs. Klein will be with us from October this year. We are looking forward with much anticipation to a fruitful collaboration.

As you have undoubtedly heard from Mr. Haavelmo, he will be in charge of working out the new national budget and "activation plan" for Norway.

With best regards to yourself and Mrs. Klein.

Sincerely yours

Ragnar Frisch.

Dear Professor Frisch,

It gives me great pleasure to be able to write to you and say that I have just been awarded a fellowship of the Social Science Research Council for one year to work in Norway and any other place in Europe for which I can get the approval of Professor Norman Buchanan of the Rockefeller Foundation (Paris). My plans are to spend the greater part of the year in Oslo.

Since I shall be working on some statistical problems for the Canadian government in Ottawa this summer, my wife and I do not expect to be able to sail until late in October.

I am looking forward to seeing and working with you next fall. We have already started to study Norwegian.

Sincerely yours,

Lawrence R Klein
