Due to our experience, we see that the following exam routines are highly important for the students to have knowledge of:

1. Always check **both** *course page* and the relevant *semester page* when it comes to exam information.
2. Hand in exams: Find out where the *mandatory statement form* lies. If you're asked to, upload your paper in *Fronter* and also hand it in on the exam day. If these requirements are not met, you might fail to pass the exam.
3. All school exams are administered by the Faculty of Social Science, with one exception: *use of dictionary*. See information on the course page regarding routines.
4. If you have general questions regarding exam routines, please contact the SV-Info Centre/Students Affairs (sv-info@sv.uio.no).
