

# SOSGEO2800 Migration, diversity and inequality, Spring 2018

**Note:** The book *'The Age of Migration'* is mandatory reading for this course (apart from chapters 6 and 7, which are recommended reading). The book is spread out over the syllabus. Some chapters are on the list for more than one week, and some chapters have been reassigned to different weeks since last year. Since this makes counting/adding the pages a bit complicated, I have omitted page counts for the book throughout this document.

The length of chapters 1-5 plus 8-14 is: 285 p.

## Reading material by week
